JEANNETTE WOMAN'S DEATH DUE TO CARELESS MIDWIFE

Coroner's Jury Finds Verdict of Death Due to Ignorance and Negligence on Part of Attendant.

Coroner Wynn held an inquest on Monday evening, into the death of Mrs. Sarah Tait, who died Friday evening, at her home in Jeannette. That the woman came to her death through the ignorance and neglect ot the attendant, Lena Vendeck was the jury's verdict.

According to the evidence brought out at the inquest, it seems that when Mrs. Tait was to be confined two women who were in the capacity of midwives, were called in attendance, Lena Vendeck having the case directly in charge. The result of the case was that Mrs. Tait succumbed to the effects of a hemorrhage.

It was shown at the inquest that the midwife had not complied with the recent act of assembly which requires midwives to register with the registrar of vital statistics in their districts. The Vendeck woman is not registered either in Jeannette or Penn township. An effort was made to subpoena her as a witness at the inquest but she could not be found.

At the foot of their verdict the coroner's jury recommends that more stringent laws for the practice of midwifery be passed. It is quite likely that this matter will be taken up by the district attorney's office.

Mrs. Tait, the deceased, was the mother of eight children, all of whom are grown.

TRY TO SETTLE CUTTING CASE

Emissary of House Visits Miss Baker and is Told that the Law Must Take its Course.

That the predicament in which Prof. F. R. House, the Smithfield school teacher finds himself, in connection with the murderous assault upon Miss Clarissa Baker, is giving his friends serious concern, is evidenced by the fact that they are endeavoring to induce Miss Baker to drop the matter.

Recently an emissary of House, C. H. Giles, of Smithfield, called on Miss Baker at the home of H. D. Blank, on East Otterman street, where she is staying and in an interview endeavored to prevail upon the young woman and her friends to be lenient toward the Smithfield school teacher. The answer he received was that the case would have to take its course; that if House was innocent, he would doubtless be able to prove it.

Giles did not admit House's guilt, neither did he deny it, and his evident endeavor was to work on the sympathies of Miss Baker, in favor of House. He admitted that House drank occasionally, and stated that he had enemies at Smithfield who would like to secure his dismissal from his position. To Miss Baker he said that if House got off after this experience it would probably make a new man of him.

He suggested that it would be better to drop the case as it would be a great detriment to House, whom Giles said was a young man whose prospects would be blighted if convicted. Giles made the request that his visit be kept secret. House's hearing will be held next Saturday afternoon, before Justice J. F. Beatty

Doney's Score Equalled.

The pool match at the Capitol last night, drew quite a crowd of enthusiasts. Jim Curry was the "Pittsburg Kid's" opponent and he made a good showing, equaling Doney's score of 60 balls to the "Kid's 100. Another fine exhibition followed the game. The next match will be played Thursday evening, between Mr. Lebowitz and Luther Bolig. This match promises to be the best of the series.

NO WINTER PRIMARIES

Last Day to Serve Notice on County Commissioners Has Passed With None Forthcoming.

The last day for political parties to serve notice on the county commissioners that they desire the "winter primaries" prior to the February elections held under the new primary election law has passed, but none of the representatives of any of the political parties made any demand on the commissioners and the January primaries will be held under the old law at whatever time the political parties in the various districts may select.

No effort will be made at present to secure the supplies which will be required for the operation of the new law. An outfit for the operation of the new law will require an additional ballot box for every district in the county as the boxes used at the general election cannot be used at the primaries, the law requiring that the ballot boxes be not opened except on an order of court until the succeeding election, when the box is to be opened and the ballots and papers enclosed in it which were used at the previous election are to be publicly burned. This would forbid their use at a primary election.

Under the decision of the commissioners nothing will be done towards putting the new law in force until the June primaries which will be conducted under the new Act of Assembly. Both parties will hold their primaries on the same day then, and each voter who desires to take part in them will be given the ballot of the party of his selection by the judge of election and will retire to the election booth and make out his ticket in the same manner as he does at the general election.

SKIRPAN AND KOCZAN HELD FOR FUTURE COURT TRIAL

'Squire Watkins Says Its a Case for Judge to Handle--Defendants Cite Other Cases

The article in yesterday's Independent referring to the arrest of Mike Skirpan and Andy Koczan, both well known Slavishmen on a charge of the illegal manipulation of spirituous liquors at a celebration of some sort in Third street hollow last Saturday night, has brought out considerable comment, and even a written communication from the accused men, attempting vindication by citing other similar cases where police interference was withheld and that, in the face of known facts sufficient to warrant arrest. Said communication gives names of committees, etc. interested directly in the Saturday night episode, apparently attempting to lighten the burden by shifting it to the shoulders of others.

For the sake of the Greek Catholic church, its reputation, good will, etc., we withhold names, and while we do not wish to hold these men up before the world as criminals we must say that Monessen officials are to be commended for this move, regardless of what may have been in the past.

There have been many murders and grave offenses heretofore, with probably no arrests, yet were there a man knocked down today on the streets of Monessen and no legal interference, the officers would be open to grave censure.

There must be a beginning in all things and it is well that the constable of this city, has, in this particular case, taken cognizance to the general progress of crime and the known violation of our laws, and decided to make that beginning.

True, there have been other balls, and intoxicating liquors have been disposed of at said balls, and the officials probably knowing the facts, made no interference. Be that as it may, they are to be commended, and if the law has been violated, this should be made an example and an effort made to teach all future offenders, of foreign nationalities or otherwise, that if they persist in violating the laws, they will have to pay the penalty.

Messrs. Skirpan and Koczan were given a hearing last evening before Squire Watkins and held for court under $1,500 bail each. Mr. C. W. Culler, Geo Kisheda and John Kichinko acting as surety in both cases.

Need a good cathartic? A pill is best. Say a pill like DeWitt's Little Early Risers. About the most reliable on the market. Sold by R. W. Beck

For years I starved, then I bought a 50 cent bottle of Kodol Dyspepsia Cure and what that bottle benefitted me all the gold in Georgia could not buy. I kept on taking it and in two months I went back to my work as machinist. In three months I was as well and hearty as I ever was I still use a little occasionally as I find it a fine blood purifier and a good tonic. May you live long and prosper. —C. N. Cornell, Reding, Ga., Aug 27, 1906. Kodol is sold here by R W. Beck.

Couldn't Lift Ten Pounds.

Doan's Kidney Pills Brought Strength and Health to the Sufferer, Making Him Feel Twenty-Five Years Younger.

Sick kidneys cause a weak, lame or aching back, and a weak back makes a weak man. Can't be well and strong until the kidneys are cured. Treat them with Doan's Kidney Pills. Here's the testimony of one man cured.

J. B. CORTON.

J. B. Corton, farmer and lumberman, of Deppe, N. C., says "I suffered for years with my back. It was so bad that I could not walk any distance nor even ride in easy buggy. I do not believe I could have raised ten pounds of weight from the ground, the pain was so severe. This was my condition when I began using Doan's Kidney Pills. They quickly relieved me and now I am never troubled as I was. My back is strong and I can walk or ride a long distance and feel just as strong as I did twenty-five years ago. I think so much of Doan's Kidney Pills that I have given a supply of the remedy to some of my neighbors and they have also found good results. If you can sift anything from this rambling note that will be of any service to you, or to any one suffering from kidney trouble, you are at liberty to do so."

A FREE TRIAL of this great kidney medicine which cured Mr. Corton will be mailed on application to any part of the United States. Address Foster-Milburn Co., Buffalo, N. Y. Sold by all dealers; price, fifty cents per box.

Where You See the Oldest Trees in the World

IMAGINE this if you can—8 square miles of forest, containing 3000 trees measuring over 300 feet in height and 50 feet around. When you consider that every one of these trees is as high as the ordinary city skyscraper of today, and that there are 3000 of them in this one forest, you have only a vague idea of the sight before you as you ride among them and look up among their branches. Even these are larger than any trees near your home. Expert estimate places the age of these trees at 8000 years. They were growing before the pyramids of Egypt were built. The

Will Investigate Squire's Offices.

In six years, since the controller first went into office, there has been but $1,868.73 in fines, where there were summary convictions, turned over by Westmoreland county by justices of the peace, and the matter has now been taken up by the authorities for investigation. The fines for each conviction go to the county, but it seems that but little attention has been paid to the matter by the proper authorities until now the controller's office is going to get busy.

WERE QUIETLY MARRIED.

At the home of the groom at 1831 Webster avenue, Pitsburg, Mrs. Marie Janavitz, of this city, and Mr. Meyer Miller, of Pittsburg, were quietly married at 5 o'clock, Sunday evening. The ceremony was performed by Rabbi Pliberg, of Pittsburg, and was witnessed by quite a number of the friends of both families. A sumptuous wedding supper followed. On Monday evening a theatre party at the Alvin was given in honor of the bride and groom.

The news of the wedding comes as a surprise to the couple's many Monessen friends, as the affair was kept secret until their return to Monessen last night, when they were tendered a reception at the home of Mr. V. Goldblatt the bride's father. Mrs. Janavitz is quite popular among a large circle of friends here. The groom is in the clothing business in Pittsburg, being in partnership with his brother-in law Morris Miller of this city.

On January 1st the partnership will be dissolved and the groom will take charge of the local store, and Mr. Morris Miller will take over the Pittsburg establishment. After January 1st the couple will be at home to their many friends at N. 265 Schoonmaker avenue. This paper joins their many friends in wishing them a long, happy and prosperous life.

FROM WEAK TO STRONG EYES

From discomfort to pleasure is the work that glasses do when proper glasses are proderly fitted. Before you can procure tho proper glasses you must have your eyes examined by an optician. An optician who uses those delicate mechanical appliances which determine with unfailing accuracy the extent of the error.

Then the cases for your glasses must be so made that they will correct the defect. We will do all this for you and charge only for the glasses

—LOT SALE—

ON account of the appreciation shown from my plan of selling lots by Charleroi and Monessen people and on account of every lot being sold that was laid out and there being many people who came too late to secure a lot and many who did not know of the value of splendid lots on such a wonderful easy plan, I have decided to plan additional part of the Ryan farm into about 150 lots and offer them for sale

THANKSGIVING DAY

ON THE REMARKABLE EASY TERMS OF $2 DOWN AND $1 PER WEEK.

Without interest or taxes, for $100 to $175, and some splendid one acre and one-half acre lots at from $250 to $650. Location, back of the Charleroi Brick Works, and Allenwood Greenhouse, and opposite the new bridge in Lostetter and Hughes plan of North Charleroi. Every lot splendidly located, commanding an elegant view of Charleroi and Monessen and the great Industrial Monongahela Valley and where fresh pure air is abundant and where you can be free from the smoke and filth of the mills and shops. The street car crossing the bridge will probably pass through this plan of lots, the bridge, the hollow below the coal works; then these lots will be worth from $500 to $1000. Charleroi and North Charleroi will certainly soon be connected by bridging the ravine that separates them. Lostetter and Hughes plan will then be the most desirable residence section in and around Charleroi and Monessen. The new bridge will open Monessen's gateway to relieve it's congested condition and those beautiful lots will be the most available home sites. Every newsboy, hired girl and laborer should accept this opportunity to start a life accummulation. Business men and capitalists cannot find a better or surer opportunity to make money.

I have sold lots no better located and farther away from less business and fewer people than there is in Charleroi or Monessen for $500 and $600.

A WORD TO THE WISE IS SUFFICIENT.

Remember, it only takes $2 to start them, $1 a week and that every cent you pay goes on the lot and that you can pay as much as you please, but only have to pay $1 a week. If you pay in full you get a discount of 10 per cent. Don't forget that owners pay the taxes until your lot is fully paid for, and they charge no interest. How long have you been waiting for an opportunity like this? And how long will you neglect to accept them? Look at your own rent receipts and see how many houses you could have built with the money you have thrown away. Come and see me and I will explain how you can own your own home. I have spent ten years of my life selling lots on easy payments and have inspired many people to become their own landlord. I have sold suburban lots for $200 and in less than three years afterward seen them sell for $2000. I never sold a plan of lots that in my judgment looked more promising than these. This sale will begin on **THANKSGIVING DAY** and continue until all the lots are sold. Don't think there is plenty of time and there will be plenty left. You have to hurry. Come Thanksgiving, rain or shine. I will be on the plan to show you the lots and explain everything from 8 A. M. to 5 P. M.
